

Instructions to make a no-sew fleece tied blanket

What you will need..... Size - 48 x 60

1 ½ yds. Printed fleece fabric

1 ½ yds. Plain colored fleece fabric

Fabric Scissors

Or you may purchase pre-packaged blanket kits at Jo-Ann Fabrics

- 1. Lay out your fleece fabric on a table with right sides of fabric on top.**
- 2. IMPORTANT....Please CUT the SALVAGES (rolled edges of fleece fabric on either side of fabric). This one step makes your blanket look beautiful!**
- 3. Cut (5) inch Squares on ALL four corners. (This size square we found looks best).**
- 4. Cut (1) inch strips of fabric ALL around the blanket to meet the (5) inch square corners**
- 5. Next, tie a square knots (right over left) all around the blanket.....taking two of the (1) inch strips of fabric.**
